

# Imagine Learning

Beginning of Year Implementation

**GET STARTED ON THE RIGHT FOOT!**

\*\*Because district licenses as supported through training by the State-Wide Title III Consortium, **each district using Imagine Learning should send at least one-two people to this training.** This helps to use the applications with efficacy and ensures Imagine Learning is used to help English Learners and struggling readers reach their full potential.

September 26 9am to 12pm

Location: Mitchell Technical Institute, Mitchell, SD, Tech Center Room 126

September 27 9am to 12pm

Location: LATI (lake area tech institute) Watertown, SD Room TBD

Whether you are a classroom teacher, ESL teacher, teacher-leader, or administrator, this workshop will impact your effective use of this support application with your students, both English Learners and struggling readers.
