

Reading Evolved

Content that engages and motivates.

Newsela is an instructional content platform that makes publisher content more accessible and dynamic, covering a wide range of nontraditional sources and diverse perspectives on topics that students care about in elementary, middle, and high school. Students are immersed in an interactive, digital reading experience where content adapts to each students' reading level through 5 Lexile Levels. Content is fresh, engaging, flexible, differentiated, standards-aligned, and personalized.

Designed to create better readers and inform instructional decisions.

Quizzes.

Each quiz is designed to build mastery in anchor reading skills, to help students become better learners in all content areas.

Write Prompts.

When students write more, they understand more. And custom write prompts help teachers bridge articles to their lessons.

Annotations.

Research shows that, for understanding and retention, nothing beats active engagement. So we made a powerful engagement tool.

Binder Access

Teachers and Administrators can unlock and spot performance trends and track progress in real-time with the Binder.

Consortium Pricing and Tiered Discounting

Newsela is pleased to work with TIE in developing a state-based consortium pricing arrangement to benefit schools and districts included among the twelve TIE organizations in South Dakota. This arrangement is intended to make Newsela PRO attractive and affordable for the smaller districts and schools under the TIE-Newsela arrangement, especially as more schools participate.

There is an initial 5% discount for member schools with possibility of greater discounts as more schools join on. This is determined by the number of schools within TIE that purchase Newsela, and the tiers for the discounts are laid out below:

South Dakota State Consortium					
Current PRO Schools: 20			District Discounts		
Tier	# PRO Schools	% Discount	<10	10-29	30+
1	0-50	5.00%	15%	20%	25%
2	51-100	10.00%	20%	25%	30%
3	101-150	13.00%	25%	30%	35%
4	151-200	16.00%	30%	35%	40%
5	201-250	20.00%	40%	40%	40%
6	251-300	24.00%	40%	40%	40%
7	301-409	26.00%	40%	40%	40%
8	401-500	28.00%	40%	40%	40%
9	500+	30.00%	40%	40%	40%
